

“ I recently chose to promote my company on the Harpenden Directory and have been very happy with the response I have received to date.

Just recently I had an enquiry for a garden project for £7,500 which has now converted to an order; I also have 6 Reviews from satisfied clients giving me a 5 star rating, giving prospective clients some peace of mind when dealing with Badger Landscapes. ”

“ Harpenden Vans have chosen to advertise with Harpenden Directory to raise awareness of our offering within the local area. We have launched a Banner Ad campaign on the Home page and have already receive several enquires via the site.

We believe this is a great initiative and “Keep it Local” should be on everyone’s mind when it comes to spending, we need to maintain the vibrancy of our shops and businesses and this can be achieved with everyone’s support. ”
