The Rococo Garden at Caffé Gusto

Situated in the centre of Harpenden this newly landscaped walled garden is a perfect place for Mum's, Dad's and children to enjoy a peaceful morning coffee, an afternoon Pizza or maybe a glass of wine.....

We have limited opportunity for local businesses to promote their services & offers, to a constant audience, on a daily basis.

This 12' x 8' advertising board will carry your A5 Information sheet along with a waterproof business card holder, holding 150 business cards for potential customers to take if requiring your services.

**What do you
need to do next?**

Nothing! We will take care of everything; all we need is your Business cards....

For as little as £5.00 per week, you could reach 100's of potential customers looking for your service.
