To whom it may concern,

I have known Peter Halsey for over 25 years both personally and professionally.

Over this time Peter has carried out numerous building works for me ranging from remedial brickwork, patios and path-work, to an extension and finally, a three-bed villa.

I have always found his work to be of the highest quality, with good attention to detail, and have never had any cause for complaint.

I have no hesitation in recommending Peter to anyone who wishes to use his services.

Yours faithfully
